ABOUT BLESSINGS CENTRAL FLORIDA

In every zip code across America, there are children facing food insecurity. In **Central Florida**, over **140,000 K-12 students** are at risk of going hungry on the **weekend**. These children rely on their school's free and reduced-price meal programs for the nourishment they need to learn and grow.

But what happens when schools close their doors on Friday?

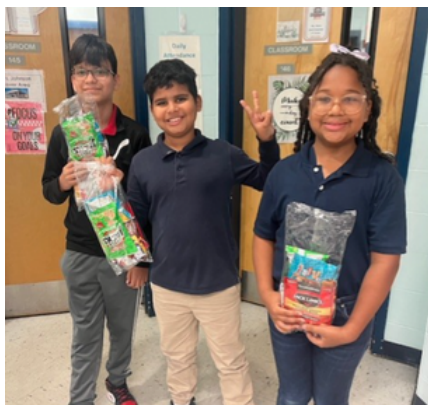

To bridge the 65-hour weekend hunger gap, Blessings in a Backpack sends kids home on Fridays with satisfying, nutritious food they can count on.

During the 2024–25 school year, Blessings in a Backpack in Central Florida, **provided over 4,200 kids across 30+ programs with over 155,000 hunger-free weekends**. There's so much more we can do. The need is far greater than our current capacity.

WHAT WE DO: Blessings in a Backpack mobilizes communities, individuals, and resources to provide food on the weekends for school-aged children across America who might otherwise go hungry.

WHY WE DO IT: [Kahlil Ortiz, Principal, Sally Ride Elementary School, Orlando, Florida](#) highlights what the Blessings food solutions program means to his kids.

ABOUT KATE & JUSTIN ROSE

PHILANTHROPIC IMPACT THROUGH BLESSINGS IN A BACKPACK & THE DUKE OF EDINBURGH CUP

At the intersection of sports and philanthropy, Justin and Kate Rose's story is inspiring. As a talented PGA tour golfer and Olympic gold medalist, Justin has made a name for himself on the greens. But off the course, Kate has led their heartfelt charitable work, capturing the world's admiration. In March 2025, they were honored with Golf Digest's prestigious Arnie Award for their incredible commitment to improving the lives of children.

The Roses' journey with Blessings in a Backpack began in 2009 through Kate's involvement with the PGA Tour Wives Association. She recognized the urgent need to provide food for children on the weekends when they don't have access to school meals. That spark turned into a mission, and together, they established the Kate & Justin Rose Foundation. **From 2010 to 2019, they delivered 535,000 hunger-free weekends to 15,000 kids in Orlando.**

Kate's early involvement with Blessings' national board was instrumental in the organization's growth. In 2020, support from the Rose Foundation resulted in the establishment of a chapter in Central Florida. **In our five-year history, Blessings in a Backpack Central Florida Chapter has provided 865,623 hunger-free weekends to 24,862 kids.**

The Roses' influence reaches beyond Orlando to other U.S. cities and extends to the UK charity The Duke of Edinburgh Cup, where Justin is the Golfing Ambassador, and Kate is on the Board of Trustees.

This legacy of kindness and dedication exemplifies how Kate and Justin's efforts can move others to drive significant change and encourage others to support causes that make a difference in the lives of children here and abroad.
