## ABOUT THE ORLANDO CHAPTER OF BLESSINGS IN A BACKPACK:

In the Orlando area, over 60,000 kids are at risk of going hungry this weekend. These kids rely on their school's free and reduced-price meal program to provide the nourishment they need to learn and grow. **But, what happens to these kids when school closes its doors on Friday? Who will feed the kids this weekend? Together, we will!**

To ensure the kids in our community have full tummies over the weekend, Blessings in a Backpack sends them home on Fridays with backpacks full of satisfying and nutritional food.

Established in May of 2020 through a very generous gift from the Kate & Justin Rose Foundation, the Orlando chapter has grown from feeding 2,000 kids to nearly 5,500.

Since 2008, Blessings in a Backpack has provided more than 20 million hunger-free weekends for kids across America. We currently have more than 1,200 active programs in nearly all 50 states.
